NEWSLETTER

We are excited to share the latest updates at Empower Africa Now Ltd! This week, we welcome new talent to our team and continue building strong partnerships to expand our services.

1. PARTNERSHIP DEVELOPMENT

This week, our team held a meeting with Intouch Company Ltd to discuss API integration and collaboration opportunities. The goal is to strengthen our technology services and improve customer experience. Ongoing projects in real estate, car rental, and retail pharmacy continue to progress smoothly.

2. NEW EMPLOYEES INTRODUCTION

We are thrilled to introduce our newest team members:

Belinda Rusizana – Frontend Developer joins our development team with strong skills in creating intuitive and responsive web interfaces.

Igiraneza Fabrice – Frontend Developer brings fresh ideas and expertise in frontend development to help enhance our digital projects.

Let Meu Peter – Car Rental Specialist Peter will manage our car rental operations, ensuring smooth and efficient service for our customers.

Please join us in welcoming them to Empower
