

AFRIQTICKETS

EVENT ORGANIZER AGREEMENT

This Event Organizer Agreement (“Agreement”) is entered into between **AfriqTickets**, operated by Empower Africa Now (the “Platform”), and the individual or entity acting as an event organizer (the “Organizer”).

This Agreement establishes a formal and legally binding framework that outlines the rights, responsibilities, and obligations of both parties involved. It governs the Organizer’s access to and use of the Platform for ticketing services, event promotion, marketing, sales management, and customer engagement, ensuring a transparent and secure operational environment.

Effective Date: _____

Purpose

The purpose of this Agreement is to define the professional relationship between AfriqTickets and the Organizer. It aims to establish clear guidelines and procedures for using the Platform to manage events efficiently. This Agreement ensures that all activities conducted through the Platform are professional, transparent, and comply with applicable legal and regulatory requirements. It also provides a structured approach to selling tickets, managing attendees, and handling customer communications, thereby enhancing the overall experience for ticket holders and event participants.

Organizer Responsibilities

The Organizer is responsible for ensuring that all event-related information provided to the Platform is accurate, comprehensive, and up to date. This includes details about event dates, times, locations, pricing, ticket types, capacity, safety protocols, and any other relevant information necessary for smooth event management. The Organizer must comply with all applicable laws, regulations, and licensing requirements, including those related to public safety, local permits, insurance, and taxation.

The Organizer is solely responsible for the planning, organization, execution, and overall management of the event. This includes overseeing logistics, staffing, attendee safety, and any unforeseen circumstances. The Organizer must also ensure that all tickets sold through the Platform are valid, honored, and provide the promised access or services to attendees.

Platform Services

AfriqTickets provides a digital platform that facilitates ticket creation, ticket sales, payment processing, event promotion, and attendee management. The Platform includes features such as real-time reporting, customer support tools, and ticket validation systems that enhance the efficiency and reliability of event management.

The Platform acts solely as an intermediary and does not assume responsibility for the actual organization or execution of the events. AfriqTickets reserves the right to modify or enhance its services at any time to improve functionality, security, or user experience.

Payments and Settlement

All payments for tickets sold through the Platform will be processed securely via integrated payment systems. The Platform ensures timely disbursement of collected funds to the Organizer after deducting applicable service fees, in accordance with agreed timelines. In cases of disputes, suspected fraudulent activity, or breaches of this Agreement, the Platform reserves the right to delay or withhold payments until the issues are resolved.

Fees

The Organizer agrees to pay AfriqTickets a service fee for each ticket sold. The fee structure may vary and could be percentage-based, fixed, or a combination of both. All fees will be transparently communicated to the Organizer before the event is published on the Platform to ensure clarity and avoid any misunderstandings.

Refunds and Cancellations

The Organizer is responsible for defining and enforcing refund and cancellation policies for their events. In the event of cancellations, the Organizer must ensure that all ticket holders receive appropriate refunds in line with the stated policies. While AfriqTickets may assist in facilitating refunds, it does not assume financial liability for the refund process or any related obligations.

Limitation of Liability

The Organizer assumes full responsibility for all aspects of the event, including planning, execution, and attendee management. AfriqTickets is not liable for any direct, indirect, or consequential damages, losses, or disputes arising from the event, including but not

limited to cancellations, safety issues, or logistical challenges. Liability of the Platform is limited to the maximum extent permitted under applicable law.

Termination

AfriqTickets reserves the right to suspend or terminate access to the Platform if the Organizer breaches any terms of this Agreement or engages in misuse of the Platform's services. Termination does not absolve the Organizer from any outstanding obligations, financial or otherwise, accrued prior to termination.

Data Protection

Both parties agree to comply with applicable data protection laws and regulations. Customer data collected through the Platform must be handled securely, used solely for the purpose of event management, and not shared with unauthorized third parties. The Organizer must implement measures to protect sensitive data and ensure compliance with privacy standards.

Governing Law

This Agreement shall be governed by the laws of Rwanda. Any disputes arising from this Agreement or in relation to the Organizer's use of the Platform shall be resolved in accordance with applicable jurisdictional procedures.
